

Northern California/Nevada District

Greetings to the Faithful Northern California/Nevada Family,

The District Office is excited to announce the new online giving platform that has been set up for your convenience. This new option will provide an opportunity to give online to all the following areas and Ministries:

Tithes/Assessments First Fruits Home Missions Giving and Payments

Youth Ministries and Camp Registrations Women's Ministries and Conference Registrations

King's Men Ministries and Conference Registrations

Special Gifts and projects that the Holy Spirit directs

The Executive Board has chosen a forward-thinking Ministry minded company to use as the vehicle for the online giving program. The company is called "Rebel Give" and it is also being used at the IMC in Texas. I would like to give a brief introduction to the basics of how to give online through Rebel Give.

There will be a link that is easy to access on the District Webpage, norcalpcg.com. Just click the link and you will be taken to the control center where all your giving will take place. Two options will be given with which to give: Credit Card/Bank Card or set up an account using your checking account. Let me briefly explain the differences between the two.

1. Paying with your card will incur 1.9% fee which you will have the option to pay, this ensures that all of your giving will go to the District. For example, if you give \$100 your total statement will read \$101.90.
2. Setting up your checking account will incur no fees.

Some of the other benefits are that you will receive an email instantly that can be used for tax purposes. An end of year giving statement can also be printed from your account that you set up. All giving reports for the year are always readily available at anytime you have need of them.

You can give one time or set up recurring donations every month or every week, it is up to you. Once you set up your secure account which only you have access to giving is very easy. Of course, you can continue to give in the ways that you have always given by sending your donations directly to the office. Keep a look out for the launch of this new online giving program in June. You will know it is active when you see the giving icon on the District Webpage- **norcalpcg.com**. If you have any questions, you can email me at revwheels@sbcglobal.net.

In your Service,

Douglas C. Wheeler

District Secretary-Northern California/Nevada District
